

NOTICE OF INTENT - HOLLYWOOD AVENUE, BETWEEN CALIFORNIA AND FRANCISCO

Dear Neighbors,

Upon consideration of the CDOT recommendation for Hollywood Avenue to become a one-way eastbound street between California and Francisco Avenues, it is my intent to **support the proposed zoning change in City Council.**

PROCESS

All proposed zoning and traffic changes in the 40th Ward undergo a community feedback process. Neighbors are invited to comment on the proposal at public meetings and online at <https://40thward.org/zoningrequests/>. All comments and other feedback are considered and discussed by myself and my staff prior to any decision being made regarding zoning and traffic changes.

FEEDBACK

We received minimal feedback on this project. The primary concerns raised related to possible congestion from vehicles turning left onto California from Hollywood, and parked vehicles not adhering to parking restrictions near Jamieson School. Our office will reach out to the appropriate departments to look into these issues.

Absent other concerns, I intend to **support the traffic change as proposed.**
