

NOTICE OF INTENT - 6338-40 N CLARK Sauce & Bread Kitchen

Dear Neighbors,

Upon consideration of the requested zoning change from B3-2 to C2-2 at 6338-40 N Clark St, for purposes of zoning compliance for a cannabis infuser license application at the Sauce & Bread Kitchen location, it is the intent of the 40th Ward office to **support the proposed zoning change** in City Council.

PROCESS

All proposed zoning changes in the 40th Ward undergo a community feedback process. Neighbors are invited to comment on the proposal at public meetings and online at <https://40thward.org/zoningrequests/>. All comments and other feedback are considered and discussed by myself and my staff prior to any decision being made regarding zoning. A detailed timeline/FAQ is available at: <https://40thward.org/zoning-requests/community-driven-zoning/>.

FEEDBACK

Support for this proposal was overwhelming. We were thrilled to see so much enthusiasm for a local business venture's first foray into cannabis!

This change will provide the property with zoning compliance for a cannabis infuser license application, *however*, please be aware that the cannabis license application is an extremely lengthy process that is largely regulated at the state level. The zoning change is a preliminary step required for the application to begin. Further public meetings are required by the license application process as it advances, and will be announced when appropriate.

We are deeply grateful to the many neighbors who took time to share their comments, both supportive and opposed. **The 40th Ward office intends to support the zoning change as proposed.**
