NOTICE OF INTENT - 2826-36 W FOSTER AVE

Dear Neighbors,

After consideration of resident feedback, the 40th Ward office **intends to support the request for a zoning change** to incorporate the parcels at 2826-36 W Foster Ave into Planned Development 92 (Swedish Hospital), for purpose of constructing a new outpatient center.

PROCESS

All proposed zoning changes in the 40th Ward undergo a community feedback process. Neighbors are invited to comment on the proposal at public meetings and online at https://40thward.org/zoningrequests/. All comments and other feedback are considered and discussed by myself and my staff prior to any decision being made regarding zoning. A detailed timeline/FAQ is available at: https://40thward.org/zoning-requests/community-driven-zoning/.

FEEDBACK

We are deeply grateful to all our neighbors who took the time to provide feedback. Public comment regarding this zoning proposal was overwhelmingly positive. Swedish Hospital will continue to work with our office, City departments, and neighbors to ensure that traffic and signal management is appropriate for the proposed new building.
